

Dental Clinical and Billing Guidelines Correction for Members Under 21

April 10, 2017

Dear Care1st Dental Providers and Staff:

Care1st made a correction to the February 1, 2017 version of the Dental Clinical and Billing Guidelines.

The purpose of the correction is to accurately reflect that prior authorization is required for D7140 and D7111. In the February version, the Oral and Maxillofacial Surgery header section in gray contradicted the grid. We apologize for any confusion this may have caused.

The most current version of the Clinical and Billing Guideline is located at the Care1st website <https://www.care1st.com/az> > Providers > Dental or on the Advantica website <https://www.advanticabenefits.com/> > Providers > Provider Login > Log On > Reference Manuals
